Case Ref: FIR 003/2026

Date of Examination: 2026-09-02

1. EXHIBITS RECEIVED

Exhibit A: Mobile handset, IMEI 865443049999111

Exhibit B: Handwritten ledger

Seal Condition: Intact, received from Ins. R. Kumar.

2. EXAMINATION METHOD (DIGITAL)

Physical dump of Exhibit A via Cellebrite UFED.

3. OBSERVATIONS & RESULTS

Exhibit A (Handset):

- SIM IMSI detected: 404450123456789
- Phone number MSISDN: +91-9898989898
- Last call recorded: 2026-08-31 22:30 to +91-7777777777 (Duration: 45s)
- SMS Outbox at 22:35: 'Drop point compromised, fallback to Apex shell.'

Exhibit B (Ledger):

- Latent prints developed on page 4.
- Print match: AFIS ID #99211 (Subject: Vikram Singh).
- Text extraction: 'GEPL Remittance: 50L. Route via Apex.'

4. LIMITATIONS & EXPERT CONCLUSION

The presence of Vikram Singh's fingerprints is consistent with handling the ledger, but does not prove ownership of the cash or vehicle.

The handset subscriber identity remains unverified (prepaid SIM).
